**A Service of Worship and Celebration
Commemorating the Two Hundredth Anniversary
of Our Nation and
The One Hundred and Tenth Anniversary of the
Thornton United Methodist Church
September 12, 1976**

110 Years of Service

In this bicentennial year and also the 110th anniversary of our church, we find in the records that several different churches have existed in the town of Thornton and that services were held in private homes, barns and later the first meeting house was completed in 1789.

In 1852 a Chapel was built where our present church now stands. It was very small with only 8 pews. This was torn down and our present church was built in 1866 at a cost of \$2,000.00 It was dedicated as The West Thornton Union Church, October 17, 1866.

We find that women were active in 1860 as the Thornton Female Benevolent Society was organized with about forty members. Rev. Hartwell, who preached in 1840, received for his yearly salary \$176.06 and only \$40.00 of it in cash. Suppers were served for the low cost of five cents.

There was a Sunday School as early as 1860 and they gave the church a pulpit set, sofa and chairs in 1881, which are still in our church today. There were 100 members in the Sunday School.

In 1875 the first organ was bought for our church at the cost of \$100.00. The base viol had been the musical instrument before this time.

Memorial stained glass windows were given in memory of those who worshipped in our church in 1909 and also the present bell was given by a former member, Mrs. Shubal Sanborn of Nebraska.

Three local men were licensed to preach. J. Sanborn in 1888, Riley Butterfield in 1890 and Edward Canfield in 1894 and 1975 Guy Downing a member of our church graduated from Bangor Theological Seminary of Maine and was ordained an Elder of the United Methodist Church at Waterville, Maine in 1976.

In 1966 we joined with our neighboring churches, Woodstock, North Woodstock and Lincoln to form the Pemi Valley Cooperative Parish which has been a most happy rewarding Christian Fellowship under the leadership of Rev. Howard Lawrence.

The present membership of this church is now 103. We extend a warm welcome to you to worship with us at all times.

A Service of Worship and Celebration

September 12, 1976

The Order of Worship

Organ and Piano Prelude	Phyllis Holbrook Susan Jane Clay

THORNTON

The Town of Thornton was granted to Matthew, James and Andrew Thornton. Dr. Thornton received land from the proprietors in return for having served as a surgeon in the famous Pepperell Expedition of 1745, which brought about the capture of Louisburg, Nova Scotia, by New England troops, including volunteers from New Hampshire. James and Andrew were co-grantees with their brother. Dr. Thornton came with his parents in 1718, at the age of four, from Londonderry, Ireland. Besides being one of the signers of the Declaration of Independence, from New Hampshire, Dr. Thornton was a distinguished physician, judge, statesman and patriot in the American Revolution. He died in 1803 and is buried at Thornton's Ferry, N.H. A monument to his memory was erected in 1892 by the State of New Hampshire.

Our town was named for the Hon. Matthew Thornton but no proof has been found that he ever lived here although members of his family did.

The town of Thornton was chartered July 6, 1763 by Benning Wentworth, Governor of New Hampshire. The grant was first made to provide for fifty families with a total of 23,040 acres. It was later increased to ninety families and 40,071 acres. This was one of the earliest attempts made by the New Hampshire Government to form a new community of individuals having the same native background abroad. The charter was drawn (1763) and a map showed the town to be twelve miles in length and at one end came to an acute right angle. No settlement was made under the first grant and a new charter was issued October 21, 1768 named for Matthew Thornton. The town was incorporated November 21, 1781.

In March, 1803, the town voted a committee to meet with the Proprietors of the first charter of the town of Thornton.

June 6, 1807 by act of the Legislature, Thornton was extended over a tract of land lying eastwardly of said town called Blanchard's Gore.

June 14, 1808, Capt. Jotham Cummings, Jr. of Plymouth was appointed agent on part of the state to meet with the town and es-

tablish the easterly line of the town.

June 23, 1842, a strip containing 80 acres as Waterville Gore was severed from Waterville and added to Thornton.

July, 1867, the southwestern part of the town was given to Camp-ton.

Abel Willey was 17 when he came with the Spencer family in 1766 to Camp-ton. He cleared a piece of land and went back to Connecticut and returned with his mother and sisters who had helped in the purchase of the land, making the fifth family in Camp-ton. One of the sisters of Abel Willey became the wife of Benjamin Hoyt and made the first family in Thornton. Believed to have settled on the bank overlooking the Pemlgewasset River on land later owned by William Merrill. The cellar hole marks location in the northeast corner of the Merrill farm which is now owned by Mrs. John F. Merrill, three daughters and a son.

The first settlers were Dutch and Scotch-Irish from Londonderry, N.H. Benjamin Hoyt felled the first tree in 1770. His son, Benjamin, was the first child born in Thornton.

James Rankin, born in Glasgow, Scotland, 1745, came to America in 1776. He and his wife, Margaret, were among the twelve persons to organize the first church. Meetings were held at his home. He was educated in the Scotch Presbyterian church and held strictly to his teachings and creed. Mr. Rankin was made an Elder of the Church. Rev. Noah Esterbrooks was ordained the first minister in 1780 and Rev. Noah Worchester in 1787.

Deacon Rankin and Noah Worchester came to conflict over questions of doctrine. Deacon Rankin exchanged all his land in Thornton with Col. Little for 1050 acres near the Connecticut river with mill privileges at West Littleton. When he left Thornton, many of his parishoners went with him.

In 1784, the town voted to build the first Meeting House. Meetings were being held on the east side of the river in a log school house or a barn. Capt. Elliot, James Pattee and Noah Worchester were appointed as a committee. After several meetings and changes in plans, it was decided to build across the road from our Town house. It was completed in 1789. Both religious and business meetings were held there. In 1823, the name Old Meeting House was changed to Town Hall and later to Town House.

About 1860, this building was moved across the road and fifteen feet added to its length. The janitorship went to the lowest bidder at town meeting which proved to be Alexander Pattee. He offered to sweep the floors six times a year for one dollar.

A new Congregational Society was formed in 1820 and a new church was built across the road from the center school. This building was torn down in 1866.

The Tool Shed was built in 1924 and it is being used today for storage. Town meetings and Elections have been held at the Central school since 1955.

Time does not permit me to continue on. Some day I hope it can all be read from a book.

INFORMATION FOR VOTERS

Thornton was incorporated as a town in 1781

Location: Midway of the Pemigewasset Valley between Plymouth and the Franconia Notch.

Population: (1976) 735

Registered Voters: (1976) 490

Area: 32,640 Acres—of which 15,057 Acres are Public Lands

Altitude: From 555 to 2,610 Feet

Town Office: At the Thornton Central School Building

Selectmen Meet: At the discretion of the Chairman

State Senator: Stephen Smith, Plymouth

U.S. Senator: Thomas J. McIntyre

Representative in the General Court: Betty Jo Taffe, Rumney and Murray Clark, Lincoln

Representative in Congress: James C. Cleveland, No. 1215 New House Office Building, Washington, D.C.

Annual Town Meeting: Second Tuesday in March. The Non-Partisan Town Ballot is used. Filing Fee \$1.00. See the Town Clerk if you are a candidate for Town Office.

Polls open at 3:00 P.M. and close at 9:00 P.M. Articles in the Town Warrant are taken up at 8:00 P.M. Non-residents are encouraged to attend, and are welcome to be heard.

Grafton County Sheriff's Department: Watts 1-800-552-0393
Office: 1-787-6911

OUR TOWN (INSIGHT)

THE BUDGET:

A Budget is “a financial statement of estimated income and expenses, and a plan for financing, based upon such a statement”. The Selectmen have estimated figures deemed necessary to raise and based on actual expenditures of the previous year.

If one does not vote to “accept the Budget as printed” each item may be voted upon separately by making a motion to that effect. If one proposes to increase the Budget estimates, you will be assured of raising the tax rate.

Our recommendation is to study both the Town and School Budgets and vote the necessary sums to satisfy them without inflating the tax rate beyond what an average citizen can pay.

EDUCATION:

Although, the governing bodies of the Town and School are separate and distinct, we believe at all times, they should function from within the Town. No District, County, State, or Federal body should be dictating to this Town how it should be run, but the “people” should still control on a local level.

INVENTORIES:

Inventory blanks mailed out with your Town Reports should be filled out properly and returned by all. The Selectmen are pretty good, but they do not have the time to visit every property owner each and every year. Property can then be fair and justly assessed.

TAX MAP:

The Tax Map is taking shape and our investment seems to have been a good one. We have an up to date file on property owners, although response from taxpayers has been slow to date to the map making concern. Errors on several pieces of property in regard to acreage have been brought to the attention of the Selectmen by this Tax Map Study.

Hear Ye- Hear Ye!

THE STATE OF NEW HAMPSHIRE

To the Inhabitants of the Town of Thornton in the County of Grafton in said State, qualified to vote in Town Affairs:

You are hereby notified to meet at Thornton Central School in said Thornton on Tuesday the 8th day of March, next at 3 of the clock in the afternoon, at which time the polls shall be opened and shall not close earlier than 9:00 o'clock in the afternoon, to act upon the following Article one. All articles except article one will be considered at 8:00 o'clock in the afternoon.

1. To choose all necessary Town Officers for the year ensuing.
2. To consider the budget as posted and to raise and appropriate the necessary sums to satisfy it.
3. To see if the Town will vote to authorize the Selectmen to hire money in anticipation of taxes.
4. To see if a discount will be allowed on property taxes of 1% if paid before a certain date to be later set by the Selectmen.
5. To see if the Town will vote to authorize the Selectmen to sell Town Property taken on Tax Title, after proper advertisement.
6. To vote to raise necessary sums of money to pay County Taxes.
7. To see if the Town will vote to have the Selectmen accept any and all grants or gifts from State and or Federal Government in the name of the Town of Thornton and apply for same.
8. To set up a Contingency Fund of \$3,000.00 to meet unanticipated expenses. RSA 31:4.
9. To see if the Town will vote to appropriate and authorize the withdrawal from the Revenue Sharing Fund, established under the

provisions of the State and Local Assistance Act of 1972, for use as set-offs against budgeted appropriations for the following priority and in amounts indicated or take any other action hereon:

Appropriation	Amount
School (New Fuel Tank)	\$ 2,800.00
Highway Dept. (Sand Spreader)	5,000.00
Cemeteries (Road Layout)	2,000.00
Officer's Expenses (Commissions & Clerical)	5,000.00
Fire Dept.	2,000.00
	<hr/>
	\$ 16,800.00

10. To see if the Town will vote to appropriate the sum of \$500.00 for the Linwood Medical Center.
11. To see if the Town will raise the sum of \$1,470.00 for the Pemi-Baker Home Health Agency, Inc.
12. To see if the Town will raise the sum of \$200.00 for the New Hampshire Humane Society.
13. To see if the Town will vote to appropriate the sum of \$745.00 as it's share for the North Country Council, Inc.
14. To see if the Town will vote to raise and appropriate the sum of \$1,000.00 to help support the Campton, Thornton, Waterville Valley Chamber of Commerce.
15. To see if the Town will vote to appropriate the sum of \$250.00 if a like sum is raised by the Town of Campton and Waterville Valley for a joint three town fireworks display to be held on a rotating basis each year. The 1977 display is to be held overlooking the Campton Pond, the 1978 display in Thornton and the 1979 display in Waterville Valley. Furthermore, the selectmen are requested to appoint one citizen to serve, along with two individuals from the other two towns, on a Tri-Town Fireworks Commission to oversee the actual display.
16. To see if the Town will vote to raise and appropriate the sum of \$927.74 to help support the White Mountain Region Association of New Hampshire.
17. To see if the Town will vote to appropriate the sum of \$7,000.00 for Fire Department purposes.

18. To see if the Town will go on record as recommending to the U.S. Forest Service that the Tripoli Road be preserved as a gravel road in it's present location.
19. To see if the Town will vote to accept as Town Roads the two (2) following described roadways located on land owned by Land/Vest Properties, Inc., as Trustee for Land/Vest Properties 1971 Limited Partnership, in the Town of Thornton and accept from Land/Vest Properties, Inc., in its capacity as Trustee for Land/Vest Properties 1971 Limited Partnership, a deed conveying said roads to the Town:

Road #1

The Haselton Road as shown on a plan by E.E. Macomber and J. March, undated, entitled "Mill Brook Valley, Phase IV, Thornton, New Hampshire, Owned by Land/Vest Properties, Inc. as Trustee for Land/Vest Properties 1971 Limited Partnership and Land/Vest Properties, Inc." recorded in the Grafton County Registry of Deeds, Pocket 4, Folder 3, Plan 41 (said Plan being hereinafter referred to as the "Plan") Said road is 50 feet in width and commences at its intersection with Mill Brook Road (which intersection is located easterly of Parcel #19 shown on the Plan and westerly of land now of the Estate of Helen R. Fadden) and then runs generally northeasterly and then northerly a distance of 4,367 feet, more or less, to the northerly and thereof at Parcels 31 and 32 as shown on the plan.

Road #2

Wanosha Road as shown on the Plan. Said road is 50 feet in width and commences at its intersection with Mill Brook Road (which intersection is easterly of Parcel #1 and westerly of Parcel #18 as shown on the Plan) and then runs generally northerly a distance of 2,305 feet, more or less, to the northerly and thereof at Parcels #10 and 11 as shown on the Plan.

Said roads will be conveyed by deed to the Town of Thornton free of all mortgage liens.

20. To see if the Town will vote to stand opposed and reaffirm its opposition to future and past sales of any private lands within the Town of Thornton, to the Federal White Mountain Forestry Dept. or to the State of New Hampshire Forestry Dept.
21. To see if the Town will raise the Town Auditors salaries to \$150.00 each per year.

22. To see if the Town wishes to provide dinners for Moderator and Ballot Clerks at future meetings and appropriate the sum of \$25.00 to satisfy same and arrangements to be made by the Moderator.
23. To see if the Town will raise and appropriate the following: \$25.00 per meeting for Moderator, \$15.00 per meeting for Ballot Clerks, and pay the Supervisors at the current minimum wage per hour rate.
24. To see if the Town will vote to accept the sum of \$100.00 given in Trust by Mrs. Nellie Adams for perpetual care of Cemetery Lot.
25. To see if the Town will vote to appropriate and authorize the withdrawal from the Title II entitlements support grants any amounts received during 1976-1977 as offsets against salaries of Town Officers or elected officials.
26. To see if the Town will vote to authorize the Selectmen to accept in behalf of the Town from Professional Property Management Corp, for use as a Town Road and to include 1,500 feet more or less in the Northpointe Development in a westerly direction adjacent to Route 175 and fully describes a Warranty Deed to the Town of Thornton once it has been constructed to T.R.A. Standards and the road is upgraded with fill and culverts to meet the approval of the Town Road Agent and The board of Selectmen.
27. To see if the Town, at future elections wishes to elect only Police Officer #1. Police Officer #2 to be appointed by the elected Officer #1.
28. To see if the Town shall have it go on record that regardless of any Legislation the Supervisors shall continue to register voters.
29. To see if the Town will vote to have the Office of Road Agent elected on a three year basis.
30. To transact any other business which may legally come before said meeting.

Given under our hands and seal, this 15th day of February, in the year of our Lord nineteen hundred and seventy seven.

AUDITORS QUESTIONNAIRE
Revenue Sharing Fund
Fiscal Year Ending December 31, 1976
(June 30, 1977)

Town Auditors of Thornton, N.H.

Gentlemen:

Please answer the following questions relative to the audit of Revenue Sharing Funds, fill out the attached Report of Audit, and forward a copy of both to the Municipal Services Division, Department of Revenue Administration, 19 Pillsbury Street, Concord, New Hampshire, 03301, as soon as your audit is completed. Submit a copy of the Report of Audit for the Revenue Sharing Fund to the Selectmen for publication in the 1976 printed Town Report. This is required by Federal Regulations.

1. Did you verify the receipt of Revenue Sharing Funds and trace the receipt to the town records and bank statements? Yes.
2. Did the town establish a Revenue Sharing "Trust Fund:" Yes.

If so—

- (a) In separate account Books?
- (b) In separate bank accounts? Yes.
3. Are any Revenue Sharing Funds not used, obligated, or appropriated invested in banks, certificates of deposit, etc.? Yes.
4. Did you verify the existance of the investments by sighting benk books or by correspondence? Yes.
5. Did you verify by computation the amount of interest earned on these investments? Coumpounded daily, impossible to compute.
6. Did you determine that Revenue Sharing Funds have been used, obligated or appropriated? Yes.
7. If not used, obligated or appropriated have you verified the unexpended balance? Yes.
8. Did you determine that Revenue Sharing Funds were used for "priority expenditures" as delineated in paragraph 3 in our memorandum? Yes.
9. Have you examined invoices, purchase orders and cancelled checks in support of expenditures? Yes.

10. Have you examined Planned and Actual Use Reports and verified that they were published in the media as required by Section 121 of the Act? Yes.
11. Did you determine that Revenue Sharing Entitlements have been appropriated or expended in accordance with the laws applicable to the expenditure of the Town's own revenues? Yes.
12. Did you determine that the requirements of the Davis-Bacon Act have been complied with, if applicable? Non Applicable.
13. Did you determine whether individuals employed by the Town in positions or jobs financed by Revenue Sharing Funds have been paid at least prevailing wage rates, if applicable? Not Applicable.
14. Did you determine that Revenue Sharing Funds have not been used directly or indirectly to match other Federal funds? Yes.
15. Have Revenue Sharing Funds been transferred to a secondary recipient, i.e., to another unit of government? No.
16. If entitlement funds have been so transferred, have you examined the accounts of the secondary recipient? None.
17. Are the expenditures by such secondary recipients accounted for in this report? None.
18. Were any exceptions or instances of non-compliance noted in your review of the Revenue Sharing account? No.
19. The amount of unexpended Revenue Sharing Funds in the custody of the Town Treasurer on December 31, 1976, (June 30, 1977) amounted to \$13,855.96, as stated in the attached statement of revenue, expenditures, and fund balance.

Signed,

SARA D. HARRIS
JERALDINE N. LEVASSEUR

Available Unobligated Funds—December 31, 1976
 (June 30, 1977)

\$ 13,855.96

We have examined the accounts and records of the Revenue Sharing Fund of the Town of Thornton, N.H. for the fiscal year ended December 31, 1976 (June 30, 1977).

In our opinion, the above Statement of Revenue, Appropriations, Encumbrances, and Available Unobligated Funds presents fairly the revenue, expenditures and encumbrances incurred, and status of Revenue Sharing Funds of the Town of Thornton, N.H. for the year ended December 31, 1976 (June 30, 1977).

Signed,
SARA D. HARRIS

THORNTON PUBLIC LIBRARY
ANNUAL REPORT
1976

The Bicentennial year 1976 saw much growth in the Thornton Public Library. New shelving has been added to the rearranged and refurbished interior of the library and a very large, functional secretarial desk/worktable and chair for the anteroom have been very generously donated by Dr. and Mrs. John Hopper. Mr. and Mrs. Judge have also very graciously loaned the library their beautifully framed Currier and Ives prints of the Revolutionary War.

The library bought a total of 118 new books this year, 69 adult books and 49 juvenile books. The library has also purchased two new sets of encyclopedias, the 1968 edition of the Encyclopedia Americana, and the 1968 edition of the Book of Knowledge. We have added many more volumes that have been donated copies and we wish to thank all those who have given so freely to the library. There were three successive booksales during the year and a continuous booksale each Saturday afternoon during the summer. Besides entertaining at an Open House March 4th, the library sponsored a historical film on the Manchester Amoskeag Mills at the Bicentennial Talent Show. We also presented two film series, *Tom Brown's School Days*, a two week program, and the *Six Wives of Henry VIII*, a six-part six week series.

Story hours are continuing with the schoolchildren and because of the early dismissal, the library decided to change its hours slightly so that the children would have more time available to take advantage of the library. Public hours are now Tuesday 1:30—4:30 P.M.; Thursday 10:00—1:00 and 1:30—4:30 P.M.; Saturday 1:30—4:30 P.M. The library is also discussing possible plans for presenting State Library films free to children Saturday afternoons on a trial basis sometime next year.

The library is also deeply grateful for the nine years that Mrs. Ardelle Gilman spent as library trustee. Her untiring support and energy displayed true library service to our community. Mrs. Frances Hopper replaces Mrs. Gilman as our newest trustee.

The library warmly invites anyone who hasn't yet visited our new library to stop by and browse through our many new books. We always stand ready to help with any and all reference questions and we have direct and prompt access to the State Library in Concord for more complete service. The library wishes also to offer its facilities and assistance to any community organization or group needing it.

January 1977

CAMPTON—THORNTON FIRE DEPARTMENT

This is the annual report to the people of Campton and Thornton. Our report on income and expenses is found in this town report.

Your fire department has gone through another year under trying times. Yes, we finally received the new truck which has been a big help. It was equipped with an AM radio for the time being. The Turret gun was installed which was purchased by the Women's Auxiliary. The firemen have been very happy with this piece of equipment added to the new truck. The Fire Commissioners and Firemen want to thank the Women's Auxiliary for this piece of equipment and the two air packs.

We have been active in the Twin Rivers Mutual Aid this year. Campton has received much needed help from these member towns and we have answered a number of calls to help in other towns of the members of Twin Rivers.

The towns of Campton, Thornton and Waterville Valley have signed an agreement on fighting fires in each town. We have had a good working agreement for years but the Selectmen felt that a signed agreement would let us all know where we stand.

These Firemen have had another rough year answering all types of calls, some big, some small and some false alarms. Please use the Campton Red network 726-4411 to report fire and not to get information. Use phone 726-3300 for information.

We still need much equipment to get a top quality fire department and hope to secure some each year.

Two main problems before the department now are what to do about the rusted body of the GMC Pumper (see article in warrant) and a firehouse to house all our equipment. We failed to be awarded the grant applied for under the Public Works Act of 1976. There is, also, a need of a fire station location in the West Thornton area. The Commissioners still are looking for a small building to rent, lease or buy to house a couple of trucks in that area.

The Selectmen and Commissioners have agreed to push for this location this year and wait for another year on our main fire station. We are still looking into the federal grant area on the main station even though we lost round one.

Chief David Tobine and the firemen of this department have worked long and hard this year covering all types of calls. The Commissioners hope the towns people will back these men in their needs for the coming years.

REPORT OF DISTRICT FIRE CHIEF AND TOWN FOREST FIRE WARDEN

Since its beginning in 1893, the State Forestry Department has recognized the fact that forest fire prevention and suppression is a joint state and town or city responsibility. Local authorities recommend names of persons to the State Forester, who appoints one person as town or city fire warden and several other persons as town or city deputy fire wardens to a three year term.

The local forest fire warden controls the kindling of all outside fires, when the ground is not covered with snow, by issuing a written permit for kindling a fire. Permits are only issued at such times and in such places as the fire warden deems as safe.

The State Forest Fire Service trains the local forest fire organization in modern forest fire prevention and suppression tactics. The State also provides backup personnel and equipment for suppression and prevention activities.

The combination of State and local forces has resulted in one of the smallest acreage loss due to forest fires in the United States for the past 20 years.

THORNTON PLANNING BOARD

The Thornton Planning Board continues to meet on the third Thursday of each month, and has been fairly active this past year thanks to the continuing interest and devotion of most members.

We have had some discussions on possible changes in our ordinance, but are not proposing any this year. Our invitation to the community to present suggestions ended with zero participation. We will try again this year.

Some of our other town Boards, particularly the Board of Adjustment, have had a hard time keeping their members. We have proposed to the Selectmen that they attempt to build the membership of this very important board to its required number, and then have the members elected as stated in our zoning ordinance.

Anyone who has an interest in serving on a board should contact its chairman and/or the selectmen.

The North Country Council has been very helpful whenever we have asked for assistance. We will receive from them if we ask for it and I would like to see more use of their services by all departments of the town.

In accordance with State of New Hampshire regulations the following members are recorded with Irma Gross, Town Clerk.

Thomas Anderson	Term Expires 1977
Barbara Brown	Term Expires 1978
Jack Bradley	Term Expires 1979
Donald Manning	Term Expires 1980
Donald Mills	Term Expires 1981
Clarence Gregory	Term Expires 1981
Selectman	Albin Conkey

JACK BRADLEY
Chairman

PEMI-BAKER HOME HEALTH AGENCY, INC.

December 20, 1976

Town of Thornton
Board of Selectmen

Gentlemen:

The Pemi-Baker Home Health Agency request that the appropriation of \$1,470 be included in the budget for fiscal 1977. This amount is computed on a per capita basis @ 2.00, determined by the census figures as received from the State Office of Comprehensive Planning in Concord, for 1976.

1977 appropriation request: \$1,470.
(1976 State Census: 735)

Very truly yours,

Pemi-Baker Home Health Agency, Inc.
by Dorothy Westberg

Your local representative: Carolyn Wolfe (Mrs. Peter)

TOWN REPORT FOR 1976 FROM NORTH COUNTRY COUNCIL, Inc.

The Council provided information on solid waste, and cluster zoning.

The Council assisted the N.H. Public Utilities Commission in preparing an application for Economic Development Administration funds which are being used to improve the Concord-to-Lincoln rail line.

On a regional level, North Country Council, Inc. completed the overall Economic Development Program, a blueprint for increasing the region's economic potential. The Council assisted several communities in making progress with the development of their Industrial Parks, projects which will benefit residents of adjacent communities. With the passage of the Local Public Works Act of 1976, the Council provided some form of technical assistance to 25 potential grant applicants. A wood utilization project is investigating how forest products, the region's most important natural resource, can be used more advantageously to the region's benefit. Word was received in late 1976 that the Federal Highway Administration approved the Public Transportation Demonstration project.

On a community planning level, in addition to local technical services, the Council prepared a report entitled "Model Subdivision Regulations" as a guide for local planning boards. A series of four lectures on planning board activities was sponsored in the spring; the Council co-sponsored a series of five municipal law lectures in September and October. Both were well attended. "Guidelines for Municipal Tax Mapping" provides communities with information on what to look for when preparing a tax map.

Planning News, the Council's quarterly newsletter, disseminates useful information on community planning, economic development, state legislation, court decisions, and general activities to interested persons in town. A town resident can be placed on the mailing list by contacting the town's NCC representative or the Council office in Franconia, N.H., at 823-8108.

In helping communities with their planning, the Council attends approximately 200 night meetings a year.

In 1977, the Council will continue to provide community planning services to member municipalities. The Council will complete work on a Land Use Program and Housing Program in 1977. Efforts to help communities with economic development will continue. The Council's

Economic Development Committee will be investigating the probable impact of the lessening of energy supplies for the North Country and how the Council can assist through the community and regional planning process.

The Council sincerely appreciates and thanks the town for its support and participation. The support and participation of the town has enabled the Council to provide an impressive package of local and regional services.

Respectfully submitted,

Jack L. Bradley

Donald Mills

WHITE MOUNTAINS REGION ASSOCIATION OF NEW HAMPSHIRE

Chairman, Budget Committee
and/or Selectmen
Town Office, Thornton, N.H.

Gentlemen :

Your White Mountains Region Association is requesting continued support with its work in 1977 with an appropriation from the Town of Thornton.

Please note the formula under which the Association makes the 1977 request has been modified, the effect being a reduction in that request. The old formula called for 7 cents per \$1,000 of valuation based on the most recent "Total Equalized Valuation Table" published by the N.H. Tax Commission. The new formula calls for a reduction from 7 cents to 5 cents per \$1,000 of valuation.

The officers and directors of your Association have taken this action because they feel the State's equalized valuation, upon which your Association computes town requests, in recent years has increased much too dramatically. A 2 cent reduction, then, is a significant attempt to put the "brakes on" such increases during this period of inflation.

However, your Association hopes the selectmen and/or the budget committee realizes the importance of Thornton appropriating the full amount. In addition to supporting on-going projects and activities, local support (much of it community appropriations) has a significant impact on the amount of State funds your Association will receive during 1977. For example, because so many communities appropriated funds in 1976, your Association received significant additional State funds. Some of these added funds already have been used in support of community projects. Lisbon, Twin Mountain, Franconia, Sugar Hill, Bath, Haverhill, and Jefferson have received funds or will receive them shortly. Other communities undoubtedly will be recipients in the future.

Finally, your Association does/will continue to benefit your community and its businesses through its vacation-travel promotions which help to support the room and meals tax, a portion of which is returned to Thornton. For example, in 1976 Thornton received \$4,894.91.

Therefore, according to our records, the total 1974 (latest) equalized valuation for the Town of Thornton was \$18,554,857. The Association, therefore, is asking for an appropriation of \$927.74.

Please find enclosed a 1976 annual report outlining the Association's finances, and activities. (Please note, while anadvertently deleted in the annual report, the Association still continues its financial support of 4-H activities in Grafton, Carroll and Coos Counties, and also continues its support of the N.H. Christmas Tree industry.) I have also enclosed a summary of the Association's activities for the 1975-76 fiscal year which usually is printed in your town's annual report.

If you have any questions, please do not hesitate to contact the Association. Either myself or a director would be most happy to meet with the board to answer such questions.

We thank you for your attention to this matter and look forward to Thornton's support in 1977.

For the officers and directors of the White Mountains Region Association, I am,

Sincerely,

White Mts. Region Association

Edward G. Pinkerton,
Executive Director

EGP:es

Encls.

P.S. We assume you have been receiving copies of *Outlook* magazine.

NEW HAMPSHIRE HUMANE SOCIETY

Office of Selectmen
Town of Thornton
Thornton, N.H.

Gentlemen:

Here are the totals on the number of animals from the Town of Thornton brought to the N.H. Humane Society Shelter during the year 1976.

By your Animal Control Officer:

Dogs and pups	0
Cats and Kittens	0

Total	0
-------	---

By Thornton Residents:

Dogs and pups	13
Cats and Kittens	11

Total	24
-------	----

Total number of dogs, pups cats and kittens from the Town of Thornton	24
--	----

Am enclosing copies of the report on all towns that used the Shelter facilities and services in 1976.

Every town has stray and animal problems. We encourage the Town of Thornton and especially the animal control officers to use our services more in 1977. The new addition will soon be open providing additional space for stray animals.

Sincerely,
FRITZ T. SABBOW
Executive Director

NEW HAMPSHIRE HUMANE SOCIETY

Daniel A. Cabral

THE STATE OF NEW HAMPSHIRE

To the Inhabitants of the School District in the Town of Thornton, in the County of Grafton, State of New Hampshire, qualified to vote upon District Affairs:

You are hereby notified to meet at the Thornton Central School in said District on the seventeenth day of March, 1977, at 4:00 o'clock in the afternoon and to cast your ballots from that hour until 8:00 o'clock in the evening of said day for candidates for the following District Officers:

1. Moderator for the ensuing year.
2. Clerk-Treasurer for the ensuing year.
3. Two School Board members for the ensuing three years.

You are also notified to meet at the same place at 8:00 o'clock in the evening of the same day to act upon the following subjects:

4. To see if the District will vote to choose all necessary school officers at the same time and place as town officers are chosen, pursuant to R.S.A. 197:1-a (Supp.), commencing with the March, 1978, meeting.
5. To see if the District will vote to authorize the School Board to negotiate for and execute on behalf of the District tuition contracts with other School Districts for one year.
6. To see if the District will vote to provide transportation to school for all students in the Town of Thornton enrolled at the Plymouth AREA High School, provided that said students or their parents shall pay a portion of the costs of said transportation as determined by the School Board.
7. To see if the District will vote to provide kindergarten for children within the District, and to that end, will vote to raise and appropriate the sum of \$6,634.00 to establish a kindergarten class within the District.
8. To see if the District will vote to raise and appropriate the sum of \$6,210.00 to pay for tuition and transportation charges for kindergarten pupils in Thornton to attend the Campton kindergarten.
9. To see if the District will vote to authorize the School Board to accept and expend on behalf of the School District revenue sharing

money from the Town of Thornton to be used for the purchase of a fuel oil tank.

10. To see if the District will vote to authorize the School Board to make application for, accept, and expend on behalf of the School District all gifts, advances, grants-in-aid, or other funds for educational purposes, as may now or hereafter be available or forthcoming from the United States government, the State of New Hampshire, or any other federal, state, or local agency.
11. To see what sum of money the District will vote to raise and appropriate for the support of schools, for the salaries of school district officials, employees and agents, and for the payment of statutory obligations of the District.
12. To see what action the District will take relative to the reports of agents, auditors, committees, or officers.
13. To transact any other business that may legally come before this meeting.

Given under our hands at said Thornton this second day of March, 1977.

REPORT OF THE SCHOOL NURSE

The first part of this school year has been occupied with routine health services consisting of first aid treatment as needed and health conferences with individual students. There has also been the annual height and weight check, and routine hearing and vision screening. Health records of all the students have been reviewed and kept up to date.

We are now in the process of the matching funds dental program sponsored by the Parent Teachers Organization in cooperation with Dr. James Poyak. Plans are now being made for some health education by the nurse in the classroom in conjunction with the teachers.

Pre-school registration will be held again in early May. At that time parents and pre-schoolers will have the opportunity to visit the school, meet with necessary staff members, and gain information regarding health requirements and first grade expectations.

Respectfully submitted,

MaryLee Boucier, *R.N.*

REPORT OF THE PRINCIPAL

I respectfully submit to the citizens and parents of Thornton my annual report.

Although the school population has tended to fluctuate the enrollment, as of January 24th, has stabilized at 110 students. A grade-by-grade break down is as follows: first grade-ten students; second grade-fifteen students; third grade-seventeen students; fourth grade-seven students; fifth grade-eighteen students; sixth grade-fifteen students; seventh grade-sixteen students; and the eighth grade has twelve students.

Aiding our staff in their efforts to provide a viable education to the Thornton students is the Special Education Team. This group, which consists of Mrs. Katherine Fralick, Mrs. MaryLee Boucier and Mrs. Barbara Goodnough, greatly increases the efficiency of the Thornton staff. Mrs. Fralick, our Resource Teacher, spends two full days per week providing individual attention where needed to improve reading skill. She also works closely with the respective classroom teachers, offering supplementary programs and materials. Mrs. Goodnough, our Speech Pathologist, spends one day per week working with individual students in the area of speech. Her sincerity and dedication has proven invaluable. Mrs. Boucier, our School Nurse, spends two half days each week at the school. In addition to a variety of health services, Mrs. Boucier will be offering nutrition and hygiene education.

This year's curricular concerns have centered around our Reading, Language Arts, and Math Programs. In the area of reading, the staff has incorporated a variety of materials and methods which are helping to diagnose various areas of weakness, as well as offer prescriptive activities to strengthen individual performance. In the area of Language Arts, the mechanics of writing are being stressed. The emphasis on grammar, usage, punctuation, capitalization and spelling will, facilitate the acquisition of skills we expect each student to demonstrate upon completion of each grade level.

In an attempt to offer a more sequential program in math, the staff has adopted much of the information and materials presented by our math curriculum committee. The committee presented booklets which will serve as a guide and resource to each classroom teacher. This will benefit each student in that, although individualized, each student will acquire specific skills-computational as well as conceptual-relative to his level of ability. Of special interest is the information dealing with

metrics. This will be of great value as the staff continues to prepare our students to live and work in a world with metric measurements.

The cooperation and enthusiasm displayed by the community is to be commended. Several parent volunteers are giving time to offer extra-curricular programs—swimming, skiing, choir and various athletics—to the Thornton students. These programs are experiencing a great deal of success. Our Parent Teacher Organization continues to experience success. It has offered several substantive programs which serve to involve the community as well as keep parents informed of curriculum. The time and hard work put forth by those involved is greatly appreciated by the staff and students.

On behalf of the staff I would like to thank the community for the support given to the school. The enthusiasm and interest displayed by the parents has greatly affected the learning environment at the Thornton Central School.

Respectfully submitted,

Phillip G. McCormack
Principal

SUPERINTENDENT'S OFFICE REPORT

I present to the Superintendent of Schools, School Board, and citizens of Thornton, New Hampshire, my fourth annual report as Assistant Superintendent for Public School Supervisory Union #48.

The 1975-1976 academic year directed its energies towards preserving and perfecting our current areas of strength while preparing our youth for the confrontations of change in tomorrow's world.

Within the next decade, Americans will be learning a new language in kitchens, factories, and in automobiles. The metric system of weights and measures is being voluntarily adopted in the United States. Few areas of everyday life will remain untouched by conversion. Supervisory Union #48 is a leader in the State of New Hampshire in this movement. Teachers have developed a curriculum guide which documents a scope and a sequence to facilitate this change.

Our efforts at the Thornton Central School would be in vain if it were not for the creative and enthusiastic contributions of faculty and staff. This administration makes every attempt to employ professionals who are cognizant of the heritage of our geographic region as well as those who can bring dimension to our evolving curriculum; Carlene Fish (Grade I—Plymouth State College), Inez Shanley (Grade II—Plymouth State College), Ann Knowles (Grades III and IV—Plymouth State College), Francis Doneski (Grades V—VIII—Boston State College), Gary Carter (Grades V—VIII—Plymouth State College), and Phillip McCormack (Grades V—VIII—University of New Hampshire). These faculty members and the expertise of Rosemary Reed (Richmond College) and Hope Dietz (Johnson State College) commendably contribute toward the attainment of the aforementioned goals.

The future of education in the Thornton Central School demands that basic skills be defined in terms of a changing world. These skills include reading, writing, mathematics, the arts, and personal discipline based on sound values. The back to basics movement can be a big step forward for education, the nation, and the children whose lives we hold in trust.

Respectfully submitted,

Daniel A. Cabral

Assistant Superintendent

EXPLANATION OF SUPERINTENDENT'S AND ASSISTANT SUPERINTENDENT'S SALARY FOR 1975-1976

Chapter 189, Section 48 Revised Statutes Annotated of the State of New Hampshire, requires that the school district annual report show the total amount paid to the Superintendent of Schools as per the following quotation: "Reports. Each superintendent of a supervisory union shall annually prepare a report of the total salary paid to the superintendent, showing in detail the amount paid by the state and each local school district, and their share of same. Said report shall be filed with the school board of each school district involved and shall be included in the annual report of the respective school district as a separate entry. A like report and entry shall be made for each assistant superintendent, teacher consultant, and business administrators, if any is in service in the union."

One-half of the supervisory union expenses is prorated among the several school districts of the union on the basis of adjusted valuations. One-half is prorated on the basis of average daily membership in the school for the previous school year ending June 30th. The salary of \$20,000 which was received by the Superintendent of Schools of Supervisory Union #48 during 1975-1976 was made up as follows: \$2,500 paid by the State of New Hampshire and \$17,500 was prorated among the school districts comprising the Supervisory Union. Allowance for \$1,000 travel within the Union was also prorated as stated above.

The salary of the Assistant Superintendent during 1975-1976 was made up as follows: \$2,350 paid by the State of New Hampshire and \$14,650 was prorated as stated above. Allowance for \$1,500 travel within the Union was also prorated as stated above.

The table below shows the portion of salary and travel charged to each school district.

<i>District</i>	<i>Adjusted Percent</i>	<i>Supt's. Salary</i>	<i>Supt's. Travel</i>	<i>Asst. Supt's. Salary</i>	<i>Asst. Supt's. Travel</i>
Campton	14.81	\$ 2,591.75	\$ 148.10	\$ 2,169.66	\$ 222.15
Holderness	14.39	2,518.25	143.90	2,108.13	215.85
Plymouth	38.94	6,814.50	389.40	5,704.71	584.10
Rumney	10.05	1,758.75	100.50	1,472.33	150.75
Thornton	8.82	1,543.50	88.20	1,292.13	132.30
Waterville Valley	8.04	1,407.00	80.40	1,177.86	120.60
Wentworth	4.95	866.25	49.50	725.18	74.25
